An abstract geometric design in the top left corner of the cover. It features a series of overlapping, stylized shapes in a light cream color against a dark reddish-brown background. The shapes include circles, triangles, and irregular polygons, some of which are further divided into smaller sections. The overall effect is a complex, layered pattern that suggests a sense of depth and movement.

Here is the spirit . . .

charm . . .

and gentle persuasiveness

of a remarkable woman and great teacher,
Miss Elsie Channing.

There is no greater tribute we could pay
than to dedicate our yearbook to her in ap-
preciation for the high principles she has
instilled in all of us at Beth-Center.

ALMA MATER

Let us sing the praises
Of our dear old school,
Where we strive for knowledge,
With our guide the Golden Rule.

To you, Alma Mater,
Loyal will we be,
And we'll tell our children
Of your fame and majesty.

As years go by,
You still will stand,
Honored and beloved
Throughout the land.

Always there to guide us
Through the darkest night,
Like a light beside us,
B.C spirit shining bright.

Coaches Bartolomucci, Bernadowski, Connors, and Caputo

We believe that our 1968 football team was the best ever. We started off the season with an impressive victory over Mon-Valley and although we lost to our closest rivals, Donora, California, and Southmoreland, we finished the season with an excellent record of 6-3. Head coach Bill Connors added a new member to his coaching staff with the arrival of Frank Bernadowski. The boys were well prepared for the season after spending a week at Camp Muffey, W. Va. — one which they never will forget. The spirit and determination that our team showed throughout the season will be long remembered.

As evident from their record, our basketball team had a rather dismal season this year. Our players worked hard but failed to score enough points to secure victories. Two possible reasons for the few victories might be that the members of the team had difficulty adjusting to a new coach and that they received little support from the students at the basketball games. Our team really has great potential for next year. If the students get behind the team as they have done in the past, I know that when basketball season arrives again, the team will have a commendable season.

"16" CHAMPS

DENNIS SLAGLE — Pitcher

RICK DORIAZIO — Centerfield

With outstanding pitching and excellent defensive play, the Beth Center diamond Aces under the guidance of Coach John Sloan, were able to win the WPIAL Section 10 baseball championship for the second time in four years. The team was outstanding throughout the season, finishing the regular season with 10 wins and 2 losses. Three pitchers — Slagle, Swinchock, and Miesky were superb in pitching 5 shutouts and compiling 133 strikeouts in 12 games. It was also the fine hitting of Slagle, Miesky, Chiera, and Pagac which helped capture the title. Coach Sloan deserves much credit for his remarkable job in proving the Section 10 Champs.

STORY OF THE PLAY

First a much-admired novel by the eminent psychiatrist, Theodore Isaac Rubin, then a screen play by Eleanor Perry from the award-winning motion picture, *David and Lisa* has been adopted for the stage by James Reach. It retells the strange, appealing, and utterly fascinating story of the two mentally disturbed adolescents: David, only son of wealthy parents, overprotected by a dominating mother, who is tortured by his mania against being touched; and Lisa, the waif who has never known parental love, who has developed a split personality and is in effect two different girls, one of whom will speak only in childish rhymes and insists on being spoken to in the same manner. The play follows them during the course of one term at Berkley School, where they have come under the sympathetic and understanding guidance of psychiatrist Alan Swinford and his staff; follows them through exhilarating progress and depressing retrogression; follows them — and their fellow students with laughter and heartbreak and suspense.

ALBERT J. STAY, Principal

You, the Graduating Class of 1969, should not think of yourselves as passing through a frantic interlude between childhood and maturity. Leaving high school you have not reached some place that is an end, a finality. You are too old for some things, it is true; but you are no longer too young for others that is all.

Upon graduation, every senior has a date with history. It is a time that ushers in the significant period which you have been planning.

If it be true that each new generation is an improvement over the previous one and that this generation is the best informed and best educated, it is my sincere hope, on behalf of the faculty, that we have contributed substantially to this state of being.

Sam.

No the greatest and sharpest
boy out of the junior class.
Never forget all our good times
together.

No start off: There was our
second period Spanish class!! Remember
Carlos and Carlota?? And how Miss
Matyi used to pick on us. We
really were rotten in there. Too bad
I'm not in there this year!!

Then there was the Carnival
and the football players. Remember that?

Last but not least is the football
team and that fabulous Italian number
62!! Thanks to your great football
ability, we won all those games!!!
I'll never forget those days. Ever!

All I can say now Sammy, is
that I hope we can continue to have
as much fun in the future as we
have been having. Lots of luck in
the future and in all that you attempt
Love,

Charlene
